

12 reasons to include labor protection extended service agreements from AIG

1	Close more jobs and make more money.		7	Earn extra revenue by adding labor warranties to your quotes and gaining a long-term customer.	
2	Provide homeowner peace of mind when there is a breakdown of covered equipment.		8	Connect our labor warranty program to your service agreements.	
3	Gain referrals from satisfied customers.		9	Eliminate administrative work and apply labor warranties upon equipment registration.	
4	Receive positive online reviews which help you receive prospective customers.		10	Produce proposals with affordable options that add value to the customer's equipment and home.	
5	Separate your company from the competition.		11	Create opportunities for upselling items (such as IAQ) when repairing covered breakdowns.	
6	Protect your bottom line on covered equipment breakdowns.		12	Develop a valuable company with revenue created from labor warranties.
